YOU WILL NEVER FIGHT BREAST CANCER ALONE

ABOUT THE ROMP

REGISTER

Registration is easy! Just visit www.F3S.org/pinkribbonromp and register to run or walk the 5K!

Registration is only \$35

IT'S VIRTUAL

What does "virtual" mean? It means that we're not hosting the 5K at a set location. You can complete your run or walk anywhere you want! You can still join your friends in-person or you can join them virtually!

YOUR TIME YOUR PLACE

Complete your 5K run or walk anytime between October 1 and October 31, 2023 anywhere you want! Sidewalk, trail, treadmill - your choice!

CREATE A TEAM

Add another layer of fun to your 5K experience and create a team! You can create a team name, colors, costumes, the sky's the limit! Of course, it's optional, but it would be oh so much fun!

FUNDRAISE

We don't have a fundraising minimum; however, your additional fundraising efforts can truly make a difference to someone affected by breast cancer! Whether you chose to add a donation to your registration, or create a custom fundraising page, your extra effort makes an impact!

RACE SWAG

What's a 5K without a little bit of race swag! Each participant will receive a custom Pink Ribbon Romp 5K t-shirt!

YOUR IMPACT

Participating in the For 3 Sisters' Pink Ribbon Romp is a commitment to ensuring no one fights breast cancer alone! Whether it's paying for rent or groceries for someone fighting breast cancer, or helping an uninsured person get a mammogram, or getting breast health information into the hands of community members who don't know about their risk, your participation changes the lives of the community members around you. That's super cool and we think you're super awesome!
